

A portable smart dictionary pen now in Singapore

Elite Linguistic Network (ELN) is the main agent for Youdao Dictionary Pen 2 by NetEase, one of China's largest internet companies and listed on the Nasdaq in the U.S since 2000.

NetEase has chosen ELN as its agent due to its reputation as one of the most professional & established Chinese language schools in Singapore. ELN provides high quality Business & Conversational Chinese courses to the PMETs. It is also a trusted brand by most government agencies & MNCs, such as MAS, STB, IMDA, Google, Lazada, Grab, Temasek, Mastercard, IKEA etc.

Youdao Dictionary Pen 2 is a portable smart dictionary pen that supports word query and translation at a quick scan. It makes the overall translation process from Chinese to English & vice versa so easy! It supports book, tablet, Kindle surfaces & multiple fonts. There is multi-line scanning function and is left hand user friendly. So small and handy you can pack inside your pencil case! Supports real person pronunciation.
